Duck Bunny Poem

Copy one duck and one bunny for each student.

My little yellow duck
Is really very funny
For when I turn him over
He becomes a little bunny!

My little yellow duck
Is really very funny
For when I turn him over
He becomes a little bunny!

My little yellow duck
Is really very funny
For when I turn him over
He becomes a little bunny!

My little bunny
Brings me luck
For when I turn him over
He's a duck!

My little bunny
Brings me luck
For when I turn him over
He's a duck!

My little bunny
Brings me luck
For when I turn him over
He's a duck!
