

## Spring Egg Homework Project

Spring is here! We have been talking about spring and all of the things that we all think of during this season---warmer weather, flowers blooming, the birth of new animals, green grass, trees blooming, etc.

Your child's project is to decorate the attached egg with the family. You may choose to make a pattern, make a spring scene, make a hatching egg, use pictures to decorate, put lace, tissue paper, ribbons, buttons, small objects, etc.

Please cut out the egg for display on our bulletin board and we need all eggs to be flat! Don't forget to put your name on the back.

This assignment is due\_\_\_\_\_.
