

Dear Parents,

This week is Dr. Seuss's birthday and we will be celebrating "Read Across America." We will be reading as many of his books as possible. If you have any books, videos, games, etc. that you would like to share, we would appreciate it! Dr. Seuss also wrote books under the name Theodor Geisel. Please make sure that your child's name is on anything brought to school.

Thanks,

My favorite Dr.
