

Hello To My Friends!

I had so much fun playing in your classroom last night. You are all such lucky children to have such a nice classroom to work and play and learn in!! I had a bit of bad luck last night. While I was playing, I lost my shoes. If you could help me find my shoes, I would really appreciate it. In fact, I will be happy to leave my pot of gold for all of you if you can just find my shoes!!!! PLEASE?

Remember to do a good job for your teacher today, and I will be back!! If you do a great job in school today, I will return with that Pot of Gold. I really appreciate you helping me find my shoes. They are green and sparkly!!

Thanks,  
The Leprechaun
